

# Aging Research Colloquium Series (ARCS)

Organized by the Colorado State University  
Center on Aging  
College of Applied Human Sciences

You are invited to join us for a monthly seminar series featuring cutting-edge research in aging from a multidisciplinary perspective.

**When:** The second Monday of each month from 12:00 – 1:00 pm (you are welcome to bring a lunch).

## Schedule for Spring 2009

**February 9:** *“Is age a risk or a resilience factor when adults experience daily stress?”* Dr. Manfred Diehl, Professor and Director, Center on Aging, and Department of Human Development and Family Studies, Colorado State University.  
**213-215 Lory Student Center.**

**March 9:** *“Vida Tranquila II: A cognitive behavioral intervention for older Latino primary care patients with generalized anxiety disorder.”* Dr. Louise Quijano, Assistant Professor, School of Social Work, Colorado State University.  
**213-215 Lory Student Center.**

**April 13:** *“Brain responses to emotional stimuli: Effects of age and voluntary cognitive control.”* Dr. Michael Kisley, Associate Professor, Department of Psychology, University of Colorado at Colorado Springs.  
**211E Lory Student Center.**

**April 27:** *“Exercise and sex hormone regulation of vascular aging.”* Dr. Kerrie Moreau, Assistant Professor, Division of Geriatrics, University of Colorado-Denver.  
**Please note room change to 101 Gifford Hall.**
